Hobie Cat Luck

Once again everybody wins on a Hobie Cat weekend. This racing fraternity has the uncanny ability to pick blue skies, bright sun and brisk racing winds. As a spectator sport the Cats make a beautiful sight and crowds watched the action throughout the Saturday and Sunday weekend from such vantage points as Ned's Point.

The rainbow sails of this fleet of sailboats make a colorful sight on the bay and the strong and gusty winds of Sunday brought out the thrills of this type of racing as the crew took to the trapezes to keep the craft upright. Base of the operation was the YMCA Camp Massasoit where these photos were taken as participants gathered from the whole east coast and rigged for the race.

The weekend activity centered on the harbor as a balloon flight was observed from the wharf square dance and reportedly terminated in Marion, and on the same night a marriage was performed by Town Clerk Lois Bassett between Cyrus Cady and Donna Sawyer from Albany, New York on their sailboat, Bumps, at the Town Wharf where the bride and groom and their guests enjoyed a brief sail before the reception.

Selectmen's Meeting

ORR MAY HONOR LEVEL FUNDING AGREEMENT

George White, chairman of the Old Rochester Regional School Committee, told Mattapoisett Selectmen that revenue of $267,038.64 might allow the district to operate within the level funding agreement by using some of this money for operating expenses. Old Rochester School Committee member William Wood said that in his opinion the increase in cherry sheet money should also be added to this surplus total which would make the total $22,800 greater for a surplus of $289,838.14. Mr. White did not agree with this arithmetic saying

that cherry sheet money is not for this fiscal year. The Selectmen were not convinced since the town is looking for money from the same cherry sheet to apply to the same fiscal year. Mr. White held out no guarantee that ORR will not require more money from the towns. He said that he is one member of 9 and represents only 1/11 of the total vote.

Selectmen told Mr. White that some of the remaining surplus of $152,000 or 190,000 (if you add in the cherry sheet income) should be applied to capital improvements. Selectman Frank Suzan asked, "If we have $150,000 available on which the towns would have to pay no interest, doesn't it make sense to use that money for capital improvement?" Selectman James Huntoon wondered, "With that type of surplus anticipated, should we be using some of it for capital repairs?" Mr. White made no promises. He said he was not sure if it were legal to use surplus funds for capital repairs. He did say that it had been done in the case of an "emergency" when the school's athletic scoreboard broke down and had to be repaired at the beginning of the sport season.

The ORR School District is at present seeking exemption from Proposition 2 1/2 in order to seek money from the towns for school improvement such as a new roof, patching the parking lot and boiler repair.

Regional School Committee has been set for August 2nd at 8 p.m. at the Rochester Town Hall.

APPROVE PUSHCART

Stanley Mickelson of Fairhaven applied to Selectmen for permission to operate a hot dog stand pushcart on town beach property and occasionally at Ned's Point. He said he wants to operate 7 days a week in good weather 11 a.m. to 4 p.m. Selectmen voted to allow the operation on the beach just inside the fence.

SHELLFISH PROPAGATION

Selectmen received a letter from Phillip Coates, Director of the Division of Marine Fisheries, stating that Mattapoisett has failed to comply with the public bidding procedure in the buying of shellfish for propagation. Selectmen noted that Shellfish Warden Al Pauline had bought the shellfish in small lots about 3 times a year from a source that he knew had good seed. The state, they note, wants the whole buying done in a single package for bid. They will now follow this directive.

ASSISTANT BUILDING INSPECTOR

Joseph Sullivan of 2 Perry Avenue was appointed Assistant Building Inspector. He will work part time as required for an hourly wage.

REGISTRY OF DEEDS REVENUE

Selectmen received a letter from Registrar of Deeds, John D. Riordan, asking the towns support legislation to keep revenue received by the Registry of Deeds in the County instead of turning it over to the State. Registrar Riordan stated that it is discriminatory that funds raised by the sales of real estate should go the state when funds raised in Suffolk County (Boston) are going to the City of Boston. The revenue amounts to $800,000 in Plymouth County.

Put Your "Idle Assets" to work at Plymouth Savings®

Your IDLE ASSETS can now work for you at Plymouth Savings Bank. Most of us have a valuable asset which we pay little attention to—the cash value of your life insurance is available at a low rate of interest, usually 5 to 6%.

The IDLE ASSETS Program evaluates the cash you have available and shows you how this money can earn interest for you in an IDLE ASSETS Certificate of Deposit for 30 months.

Example: If you have $5000 of cash value in your life insurance that you can borrow at a 5% interest rate, you can deposit that amount in an IDLE ASSETS Certificate of Deposit and not reduce your life insurance coverage one bit. At the current rate* of 11% for 2½ years, this represents a gain of 6% or $300 per year. Over the span of 2½ years you will have realized a gain of $750., while being provided with additional life insurance for the full 2½ year term in the amount of your certificate. Certificates are available in amounts of $1,000 to $10,000. Plymouth Savings has set up a special department to help you earn more with your IDLE ASSETS.

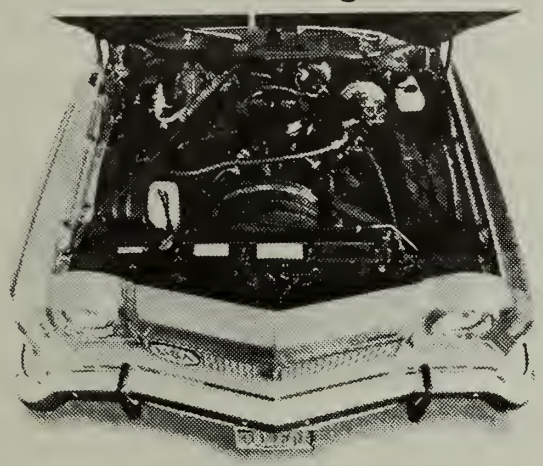
A dirty cooling system is destroying this engine and you can't even see the damage.



There's more to your car's cooling system than meets the eye. In fact, the inner-workings of your engine and automatic transmission depend on proper cooling.

A dirty cooling system will allow deposits to accumulate in the crankcase. This build-up of deposits can result in costly repairs.

But you can help avoid this expense and inconvenience with WYNN'S X-TEND Power-Flush and WYNN'S X-TEND Cooling System products. A new approach to cleaning and maintaining your automobile's entire cooling system while helping to maximize cooling system efficiency.

WYNN'S X-TEND Power-Flush unit uses pressurized water and air to flush the cooling system — including even those hard-to-reach areas.

Your automobile manufacturer recommends cooling system maintenance on a regular basis, so act now. Because when you can see the damage, it'll be too late.

SATURDAY PROGRAM - "DOWSING"

Water that travels deep underground comes to us from a far away source. The mountains of New Hampshire may be the origin of the water found deep in the rock beneath us. Finding this water for our use has been the work of people called "Dowsers" since olden times. Local Dowser Edward Jastrom will give a program of Dowsing for children at the Gulf Hill site of the Children's Museum on Saturday, August 7th at 2:30 p.m.

"Children", Mr. Jastrom says, "have a special ability for dowsing."

Please join us for this unusual program, open to children five and up.

GAMES WORKSHOP

Saturday, August 7th, will be the day of the 2nd "Games Workshop". Children six and up are welcome to come and learn new games and share old ones suited for the backyard, playground and rainy days. Please call 993-3361 to register. The workshop will be held from 10:00 to 12:00 and there is a small charge.

like "The Comedy of Errors" or "Charley's Aunt", which every generation finds irresistably funny.

"Room Service" was a Broadway hit in its initial George Abbott production in the 30's. It was a hit when the Marx Brothers did their movie version. It has been a hit in the better regional theatres all over the country for the past twenty years, and it is a safe bet that it will be a hit again when SMU stages it in its Cabaret Theatre.

The 8:30 p.m. production, directed by Angus Bailey, will be held on August 5-8 and August 12-15 in the SMU Campus Center.

The cast includes: Tony Ferreira, Dana Mitchell, Abe Novick, Ray Possick, and James Robinson.

For more information call the SMU Theatre Company office at 999-8167.

Sunday, July 18: Center School - Brad's took the first game 12-1 over the Mattapoisett 3 team. Tom O'Pezio was the lone runner to cross the plate for Mattapoisett 3. Winning pitcher for Brad's was Bobby Dixon.

Mattapoisett 3 took the second game by good defense and strong pitching by Bruce Mathieson. Mathieson kept Brad's bats quiet for 8 innings. Eric Enroth scored the winning run that won the game with good strong defense from Tom O'Pezio and Charlie Cabral. Mathieson and Mattapoisett 3 did something no other team has done in 4 years, shut out Brad's.

Selectmen of Mattapoisett

These regulations were reprinted several years later in a New Bedford paper along with an article which said in part:

"Not so many years ago men and women were not permitted to use some of the public beaches at the same hours. J. E. Norton Shaw, of Mattapoisett, has in his collection of souvenirs an interesting reminder of the time when such regulations were made for the public bathing beach at Mattapoisett. There were certain hours for the men bathers and at other times during the day only women bathers were permitted on the beach.

"The Mattapoisett Selectmen of the period of these regulations in 1887 were Noah Hammond, Wilson Barstow and Joseph L. Cole, none of them now living and to see the contrast of today with the customs of their period.

Mattapoisett came into Mr. Shaw's possession when he acquired land adjoining what is now the Mattapoisett bathing beach. His family had had a bath-house on this land, and in one of the old bath-houses was posted a card bearing these regulations, which he has preserved.

"While the regulations remained through the posting of the rules, Mr. Shaw says they finally lapsed, and were not enforced again, although until 1900 the old rules remained. Two summers ago, the caretaker of the beach relates two young women drove up in a car and inquired if one-piece bathing suits were permitted on the beach. It is recorded that the caretaker inquired which piece it was proposed to wear."

These old newspaper clippings were loaned to us by a Mattapoisett reader.

Dennis R. Cabral, a life insurance representative in New Bedford, was elected president. He replaces Doreen M. Sylvia of Fairhaven, a registered nurse at St. Luke's Hospital in New Bedford.

The organization also elected a 48-member board of directors.

The board includes Dr. Joseph Costa, County Road; Ronald Desnoyers, Shore Drive; Terri C. Nowell, Captain's Lane; Dr. Joseph W. Pelczar, Peace Pipe Path; and Blanche B. Perry, Aucoot Road, all of Mattapoisett.

Mrs. Perry was also appointed co-chairperson of the organization's public education committee.

Centre Street Festival

Over 75 craftspeople, food booths and street entertainers will set up shop for two days along the cobblestoned streets of New Bedford's Waterfront Historic District for the 7th Annual Centre Street Summer Festival on August 7th and 8th.

An especially fine assortment of crafts on sale will include scrimshaw, pottery, leather tooling, handmade stitchery items, woodwork, original artwork and paintings.

There will be a total of ten food booths including French Canadian, Portuguese, Middle Eastern and Italian fare plus chowder, fruit cups, hot dogs, ice cream and homemade baked goods run by the Preservation Society, organizer of the festival.

The Preservation Society will have its second annual Preservation Society Pairpoint cup plate for sale. This edition com-

memorates the Orpheum Theatre in the city's south end.

The festival runs from 10 to 8 on Saturday and from 10 to 6 on Sunday. Continuous entertainment throughout both days features both strolling street entertainers and on-stage performers. One highlight will be the New English Dancers from Plimoth Plantation who perform traditional 17th century songs and dances in period costumes. There will also be traditional folk music, Irish songs, sea chanties and popular music.

For children, there is a puppet show, magician and the ever popular face painting booth, while adults can take a chance on the Chinese Auction.

Ashumet Holly Reservation

CELEBRATES "LOTUS FESTIVAL"

The Massachusetts Audubon Society's Ashumet Holly Reservation in East Falmouth will hold a "Lotus Day" on August 11th. A full schedule of activities is planned, running from 11 a.m. to 4 p.m. The Japanese culture has made the appreciation of nature a form of art. In keeping with this, a variety of oriental arts wil be featured at the festival, including Ikebana (flower arranging display and demonstrations), Asian dancing, and Bonsai display, as well as the legendary Japanese Tea Ceremoney and other oriental arts.

The Ashumet event will coincide with the flowering of the oriental lotus plants which grow on the Reservation. The oriental lotus boasts leaves which rise 3 feet above the water and large pink blossoms which stand even higher. Ashumet has approximately 2 acres of lotus plants. Guided walks to view these will begin at 10 a.m. the day of the Festival.

The Oriental Arts Festival is sponsored by

WBSM EASTER SEAL SOFTBALL MARATHON

On Saturday, August 14, and Sunday, August 15, the annual WBSM Easter Seal Softball Marathon will be held at Brooklawn Park to benefit the Massachusetts Easter Seal Society. The event is sponsored by radio station WBSM and J.J. Taylor Distributors of Miller beer.

To enter, teams are asked to raise $150.00 through sponsor forms which entitles them to 2 free cases of Miller beer and for an additional $100.00 teams are given softball T-shirts.

All participating teams receive trophies donated by WBSM. Other prizes include windbreakers, softball caps, tickets to Boston Celtics and Red Sox games, and a team dinner at the Skipper Restaurant for the local team raising the most money. The top team manager will receive a 6 months membership to the Nautilus Fitness Center in Fairhaven.

To enter, teams should contact chairman Mike Roussos after 5:00 p.m. at 994-3139 or the Massachusetts Easter Seal Society at 676-1089.

All money raised will go to provide on-going programs and services for disabled persons.

Theatre in The Park

The stage is set for the Greater New Bedford area to enjoy a first time Theatre in the Park production.

The Actors' Stage Co. Ltd., which formerly was known as the Village Players, is presenting 8 live performances at Buttonwood Park in New Bedford. The first performance is scheduled at 6 p.m. Saturday, July 31, and the second at 2 p.m. the following day.

Productions are then planned for every Saturday and Sunday through August 22.

The young troupe of 30 talented performers, under the direction of Gerald Morrissey, will dazzle you with songs and dances from Broadway shows, such as Godspell, Annie, My Fair Lady, Oklahoma! and many others.

All the performances are free and are guaranteed to be enjoyed by the whole family.

Queen and Court Softball

Rose Black has been called the Most Feared Pitcher in the World. And not without reason. She has struck out an average of two batters per inning for an amazing career total of 38,891 (more than the all-time top 12 major league pitchers combined) and has recorded 252 perfect games, 568 no-hitters and 763 shut-outs in 17 years. In 2,188 games she has lost only 72 to post an overwhelming 96.7% winning total.

When Rose walks to the pitcher's mound and you're at bat, only that reputation intimidates you. Her bounding blonde hair won't. Her pretty smile won't. Certainly her blue eyes won't. But when she winds herself around a regulation-size softball and then blasts it toward you at 100 m.p.h., leaving you .27 seconds to hit it, you've got lots of reasons to be intimidated. You may not even have seen the ball before the umpire hollers "stee-rike" in your ear.

Rose is the Queen of "The Queen and Her Court", a four-member softball team that plays nine member men's fastpitch teams throughout the world. She dazzles them with 16 different pitches - "junk pitches", she calls them - delivering them in batter-baffling combinations of curves, risers, drops, knuckle balls, change-ups and fastballs. To entertain the crowd and further disturb batters, Rosie jazzes up her pitches by throwing them between-her-legs, from second base, and

while blindfolded.

Although Rosie is the Star of the exhibition with her mind-boggling statistics, the surprising crowd pleaser, combining skill and entertaining comedy, is the Court Jester, Lotta Chatter. A wacky, gangling character who keeps the audience on the edge-of-their-seats, Lotta covers first base, and under the Bozo-like red hair, is a talented athlete and power hitter. The lineup includes catcher Doug Arnett, a "Pete Rose-style" hitting sensation who sports a rifle-like throwing arm. His 13 years of experience have made him a seasoned veteran, including leading his former team in batting average and home runs, helping them win the Canadian Jr. Provincial Championship. Handling shortstop is Wallace Dawson, a former pro with the Kansas City Royals organization. His outstanding speed and sure glove adds additional security to the defense. While chalking up 50 homeruns last year, he proved to be a pitcher's nightmare.

"The Queen and Her Court" have made numerous guest appearances on television shows including Johnny Carson's Tonight Show, Merv Griffin, John Davidson, Mike Douglas, You Asked For It, Family Feud, and the PTL and 700 Club. One of the high points of their history came when they visited Japan to play that country's major league baseball all-stars. One hundred twenty million people watched "The Queen and Her Court" defeat the Japanese team in four straight televised games. Japanese newspapers offered $10,000.00 to any team in Japan that could beat them. None did.

For a night of spectacular entertainment, witness this unique sporting attraction with "The Queen and Her Court". Local fans will be treated to a royal display of softball at Wareham High School field on Friday, August 6th, at 6:30 p.m. For details and

Commander's Awards

Eleven employees from the Cape Cod Canal received awards during ceremonies held in Waltham, Mass. on June 16, marking the anniversary of the founding of the Corps of Engineers in 1775.

Frank A. Morris and Michael A. Varney were among four recipients of the Commander's Award for Civilian Service, the highest award civilian employees can earn at the local level. Both were commended for their courageous efforts in assisting firefighters who were battling the fatal fire aboard the Massachusetts Maritime Academy training ship BAY STATE in December of 1981.

Morris is Assistant Engineer in Charge at the Canal. He holds a B.S. in Civil Engineering from Northeastern University, is a Registered Professional Engineer in Massachusetts, and has been with the Corps New England Division for nearly 20 years. He received the award for po-

sitioning himself on a telescoping ladder over the burning ship without regard for his own personal safety. Morris and his wife, Brenda, are the parents of Kim and Jason Morris. The family resides at 4 Wianno Road, Marion.

Varney, a deckhand at the canal, was cited for leading firefighters who were unfamiliar with the ship to the area of the fire without any protection clothing and without considering his own personal safety. Varney also received a pin marking 15 years of service with the Corps. He and his wife, Patricia, are the parents of Michael and JoAnne Varney, and the family resides at 27 Freedom Road, Forestdale.

The Corps of Engineers began on June 16, 1775, when they placed the fortifications for the Battle of Bunker Hill which took place the following day.

The Engineers assumed ownership of the Cape Cod Canal in 1928 and have been responsible for the operation and maintenance since that time.

BEACH CLASSES FOR CHILDREN

During the week of August 2-6, the Thornton W. Burgess Society will sponsor the 4-H Beachcomber Trailer, a marine mobile unit equipped to help youngsters learn about the water and fragile coast around them. The mobile unit will be set up at Town Neck Beach in Sandwich. An instructional survey of the beach and marshes will be offered to children free of charge from 9 a.m. to 12 noon each day. Class numbers will be limited. Call Green Briar at 888-6870 to register.

ANIMAL FAIR

A special event will be taking place at the Thornton W. Burgess Museum, 4 Water Street, Sandwich, on Wednesday, August 11 --- a day for the children at our "ANIMAL FAIR".

The Fair will be held on the lawn beside the "duck" pond from 10 a.m. to 4 p.m. Exhibits and presentations will range from our native snakes of Cape Cod to the raising and care of some of our domestic animals. There will even be a small petting zoo for the youngsters. Animal ballads will be sung, games played, and refreshments available.

Westport Historical Society

EVENING WITH MAGICIAN

The Westport Historical Society is pleased to present "AN EVENING WITH RICHARD POTTER: NINETEENTH CENTURY MAGICIAN", as interpreted by Robert Olson, assistant director for interpretation at Old Sturbridge Village and a master of wizardry himself.

The program will be Friday evening, August 6th, at 7:30 p.m. at the Milton E. Earle School Auditorium, 856 Main Road, Central Village, Westport.

Richard Potter was the first successful native born American magician. Born in 1783 in Hopkinton, Mass., he went to Europe, where he began to learn his trade in the late 1790's. On his return to America, he traveled with Rannie the Scot, a magician and ventriloquist, from whom he probably learned the secrets of his profession.

Potter's shows included tricks with cards, coins, eggs, etc. Besides the magic, he also featured songs, ventriloquism, comic characterizations and dissertations. Mr. Olson, dressed in early 19th century costume, performs all of the above using the patter and props that come from Potter's own period.

Tickets may be purchased at Silas Brown's

drains, and septic systems, such as: vegetable trimmings, eggshells, cigarette filters, ground garbage, coffee grounds, sanitary napkins, fats, oils, pesticides, disinfectants, acids, medicines, paint, paint thinner and plastic packaging materials.

4. Keep heavy vehicles off the leaching area where they can crush underground pipes and compact the soil.

5. Do not plant deep rooted trees or shrubs over the leaching area where the roots may clog or dislocate pipes. It is good practice to mark the boundaries of the leaching area.

The Board of Health Office does have reading material available on septic system maintenance.
